2 Grade School Buildings Rapped

If your ears were ringing last Wednesday it's because they were talking about you at the Antioch Upper Grade School.

Two education specialists made their periodic investigation of Antioch's Grade School District 34. Then they gave a verbal report to school administrators, principals and members of the school board.

They were Jim Carrow, school evaluation specialist for the state, and James Flood, assistant regional superintendent from Waukegan.

They criticized Antioch voters for not passing building referendums that would alleviate two existing situations:

- The inadequacy of the Channel Lake school building.
- The portable buildings at Oakland school.

"I KNOW ALL THE problems of taxpayers," Flood said, "but something has to be done. Someone is going to have to get this across to the voters."

"I think we're getting to the point where the

community should be condemned for not coming back to the school board with recommendations," Flood added. "How many years are they going to keep those kids in that inadequate Channel lake building?"

Flood said he realized he was talking to the wrong people ... that the school officials knew the problems and wanted them corrected, but "the community has adversely accepted proposals from the board and its expert architects."

GAIL HEATH, president of the school board, asked Flood if he would come to a board meeting and explain his views.

So this Thursday's 7:30 p.m. meeting includes "a verbal report regarding District 34 building needs as per the state administrative review."

Mr. Flood will give that report. "I'm pretty angry about this situation," he said.

There also will be a report on Channel Lake School's furnace problems.

Last week's state investigation was mostly

Election Stirs Interest Here

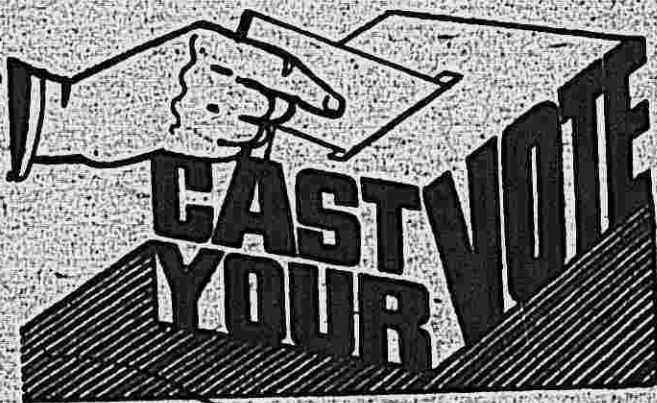

A sizable turnout is expected next Tuesday when voters in Antioch and Lake Villa townships participate in the general election.

Grace Mary Stern, the Lake County clerk, said voter registration has been excellent and that apathy doesn't seem to be a problem this time.

There are many contests of interest, particularly the one that pits President Gerald Ford against Jimmy Carter.

Also of tremendous interest is the contest for governor of Illinois, with James R. Thompson running against Michael Howlett.

Locally, voters are particularly concerned about choosing a County Board member from District 4 to fill the unexpired term of Ronald Coles. The contestants are Republican Fred W. Popp of Lake Villa and Democrat Jean Montrimas of Lindenhurst.

Our endorsements begin on page 4.

The polls will be open from 6 a.m. to 6 p.m. Voters should report to their usual polling places.

In Antioch, that means the village hall for precinct 1, the Scout House for precinct 2, Lotus school for precinct 3, Grass Lake school for precinct 4, Channel Lake school for precinct 5, and Emmons school for precinct 6.

Today's Brightener

Today's motorists not only take good care of their cars, they also keep the pedestrians in pretty good running condition.

Meeting

The regular monthly meeting of the board of education of Antioch High School, District 117, will be held on Thursday at 7:30 p.m., in the board room.

One Liner

Sign in an optometrist's office: "If you don't see what you're looking for, you've come to the right place."

It's easy to tell when you've got a bargain. It doesn't fit.

THE SEQUOIT MARCHING BAND, directed by John Olisar and looking sharp in its blue uniforms, provided excellent music and was one of the highlights of last Saturday's Homecoming parade which toured Antioch's downtown. A big crowd of spectators lined the streets.

favorable to District 34.

"THE SITUATION we have found is excellent," said Carrow, "as far as the administrative, school board, faculty set-up and job descriptions are concerned. I find that very commendable. District 34 knows exactly what's happening."

"Regarding students," Carrow said, "their

parents know what is expected of them, and they are informed of the students' objectives and abilities."

Carrow also praised the grade school band program for having "such a high percentage of students interested and involved."

"The overall discipline of the students is good, too," he said. "I will recommend that the district be given full recognition by the state."

A Hot Idea

Chicago (NFS) - People during the Middle Ages had a good way to beat the energy shortage. They piled as many as possible in the same bed to keep warm at night.

Biggest bed of all time is the great Bed of Ware in the Tudor-Elizabethan period which held 24 people, according to the Spring Air Mattress Company, Chicago.

The 404 application package should be in by the end of November. Six months are then needed for hearings and the necessary paperwork for the project.

The 100,000 yards of dredging is expected to take about two months. The commission tentatively schedules this for next summer, probably June and July. The exact site has not been decided.

TIME IS VITAL to the project, because the \$500,000 appropriated by the state must be returned if the dredging is not completed by next September. Last year the state earmarked half that amount for the work.

BLUFF LAKE resident John Lange asked the commission the reason for the dredging: flood control or access for bigger boats?

Along the way with ANNIE MAE

Well, another Antioch-homecoming is history. We almost beat that tough Stevenson team - wasn't that a super fourth quarter comeback?

And we were happy to see that John Kakacek was named king. He's a terrific young man both on the football field and in the classroom. Sherry Pechulis, also an outstanding young Sequoit, couldn't have had a nicer escort.

LAST WEEK was homecoming in a different way for some of our friends here. Edith Hawking of Canada and Nora Anderson of Springfield, both formerly of Antioch, visited with Ann Kotrba and Rachel DeBolt.

The gals also got together with Erna Newman, Josephine Doubek, Dorothy Stacco, Roxie Jenkins, Altha Christenson, Bernice Jewel and Bea Fabes to talk about old times at Regal China.

ANTIOCH HAS A VOICE in the University of Illinois concert choir. Kathleen Poskozim of Rt. 1 sings in the 61-member choir which treated audiences to a "Love in Song" program last Sunday.

Jeannie Lindgren was part of a special attraction at Hawthorn Center last weekend. Dressed as Twigs, the Hawthorn symbol, she guided youngsters through the children's section of the center's third annual art festival.

HEAR TELL the Dortmund Inn was packed last Sunday night for its annual Oktoberfest. A very charming German restaurant, the Dortmund. Donia is now offering brunch every Sunday from 9 a.m. till 1:30 p.m., and live music and a buffet on Wednesdays after 6 p.m.

SOUNDS LIKE Sharon Prange had some trip! The daughter of Marian Prange, Chestnut St., spent eight weeks camping in the West through 15 states, covering 8,000 miles.

Her route took her through Iowa, where she visited Fern Tate, one of her former teachers from Antioch Community High School. She says of her experience, "I loved every minute of it, except that it was far too short!"

Miss Prange graduated from Northern Illinois University in mid-August, receiving bachelor's degrees in both psychology and English. She finished up at DeKalb with an excellent grade point average of 3.53 of 4.00. She tentatively plans to apply for the fall of next year at the Oregon College of Education to pursue a master's degree in counselling for the hearing impaired.

SURE HOPE Megan Haley had a nice party last Thursday. The daughter of Mike and Sue was celebrating her first birthday.

Last week was a special one for the Lowe household. Earl and Norma's 12th wedding anniversary was Oct. 24 and her birthday was yesterday, Oct. 26.

HAPPY BIRTHDAY wishes go to Peggy Van Patten on the 30th.

Also on the 30th, Bob and Pat Lasco will be celebrating their 22nd anniversary. We join their children, Mike, Steve and Becky, in wishing them all the best.

MR. AND MRS. Bror Palmblad marked their golden wedding anniversary with a party at Trevor's Colony House restaurant.

The couple, married Aug. 21, 1926, are natives of Sweden and have lived in Antioch for the past 13 years. Mr. Palmblad is a retired carpenter.

BUSTER, of Buster's Drive-In at Rt. 83 and North Ave., is now a proud grandpa. Bob and Pam Schultz of Channel Lake had a baby girl, Roberta Jean, on Oct. 12 at Victory Memorial Hospital.

The little bundle of joy weighed in at 8 lbs. 3 oz.

SEEMS INCREDIBLE, but some folks have been ignoring the stop signs at Rt. 83 and Grass Lake Rd. Be sure to be extra careful, OK? See you next week!

Soviet Weapon Aimed at America

By RONALD REAGAN

Rhodesia's problems are taking on the aspects of a difficult knot.

Plans go ahead for high level talks designed to create a transition government. At the same time, some black nationalists say they won't sit still for a two-year transition. Others continue guerrilla attacks.

Many Americans have interpreted our recent initiatives in Africa as an extension of our desire to achieve racial equality and elimination of injustice here at home. That's part of it, but it would be an oversimplification to say it is the whole story.

MAJORITY RULE FOR RHODESIA is one issue, but not the only one. The conflict there and elsewhere in southern Africa isn't simply one of black vs. white. Much of it is between people of the same race. Blacks are killing blacks in the Rhodesian guerrilla war and in Angola, where peace has not really come yet. Africa's history is one of tribal divisions and warfare going back many centuries. Ancient hatreds still exist.

I have a letter from a Rhodesian senator who opposes majority rule. He says the country's black population is divided between two major tribes which would be at each other's throats if it weren't for the buffer offered by the Smith regime. But of course, you're thinking, that's the view of a white senator trying to preserve the status quo. Not so. The senator is black and a chief of one of those tribes. He says half of Rhodesia's senate members are black.

The bottom line for this Rhodesian leader is this: "We are facing the brunt of a Communist-backed insurgency, the sole purpose of which is to overthrow our constitution, our way of life, and above all freedom."

IT SHOULD GO WITHOUT saying that democracy, majority rule and equal rights are desirable everywhere. But the freedom to vote and choose between rival political parties as we do is not a common thing in nearly half-a-hundred new nations of Africa. Only five, including Rhodesia and South Africa, despite their shortcomings, have more than one political party. The rest are military or civilian dictatorships with few, if any, civil liberties.

In most of Africa, sadly, it seems to be a case of one man, one vote - once. Whoever gets in power cancels out the opposition. Those ancient tribal hatreds and rivalries are not going to be erased simply because democracy-on-paper replaces colonialism.

MOZAMBIQUE IS THE staging area for the terrorist attacks on Rhodesia. It is totalitarian and Communist. Religion is outlawed and thousands of its people (including an American missionary) are in concentration camps.

Next time you read rhetoric coming out of Mozambique about its "struggle" to help "liberate" Rhodesia, keep this in mind, along with the fact that Mozambique is a client state of that latter-day colonial power, the Soviet Union.

WHAT DO THE RUSSIANS have to say about the African situation? Moscow defines the goal as the use of black power to "strangle the imperialists (that's us) economically."

Pravda spells out what the Soviets think the African problem is all about. We'd better pay attention. Outlining the "losses they hope to inflict on the United States," Pravda says, "in United States imports, the share of strategic raw materials imported from Africa amounts to 100 percent of the industrial diamonds, 58 percent of the uranium, 44 percent of the manganese (used in steel smelting), 16 percent of the cobalt (essential for aircraft engines and high-strength alloys) 33 percent of its oil and 23 percent of its chromium used in the manufacture of armor, aircraft engines and gun barrels."

Underneath that difficult knot of race relations, the African problem is a Soviet weapon, aimed at us.

"Gosh! Does This Mean I've Lost My Glass Slipper And Early Lead, Too?!"

Ford and Thompson Deserve Your Votes

Some voters may feel as they have in past Presidential elections. They don't have much of a choice.

There is no one with the charisma of John F. Kennedy, or the total respect enjoyed by Gen. Dwight D. Eisenhower. There isn't a Barry Goldwater, who gave the nation an excellent choice only to see the voters blow it something awful.

But there is no question in our mind that President Gerald Ford deserves re-election over Jimmy Carter. There is no doubt that President Ford is a thoroughly honest leader, and isn't that refreshing in this day and age? He also has fine political experience.

A lot of us still don't know where Carter stands. He had made some ridiculous allegations, indicating he wants to get elected whether or not he's prepared to run the country. We understand the people in Georgia felt he was just an average, run-of-the-mill governor. We're afraid Carter has little to recommend him over President Ford.

IN THE STATE OF ILLINOIS, James R. Thompson has to be the winner, hands down, over Democrat Michael Howlett.

Thompson has pointed out that not one of the top Democratic state candidates is running for the job he wanted. They possibly are all puppets of Chicago's Mayor Daley. Howlett was happy as secretary of state; we don't believe he even wanted to run for governor.

Thompson, a 40-year-old former U.S. attorney, burned Republicans as well as Democrats when he held that job and fought corruption. Yet, the Republicans are now behind him 100 percent.

The refreshing thing about Thompson is the feeling we get that he won't belong to anyone if elected. He is his own man.

Even the Waukegan News-Sun has endorsed him, saying:

"Illinois will need fresh ideas, integrity and purposeful independence from its next governor ... James R. Thompson has all those attributes..."

Jim Thompson would represent all the people fairly and impartially.

For County Board: Fred Popp, Harry Robin

In next Tuesday's election, voters will select three persons to represent District 4 on the Lake County board.

One who deserves re-election is Harry G. Robin, who has proved to be an excellent County Board member. Robin, 40, is a former Lake County sheriff's deputy and Fox Lake policeman who first ran for the county board because "the biggest frustrations I had as a deputy was that I didn't feel some members of the board were responsive to the needs of law enforcement."

Popp, 47, is running against Democrat Jean

Keep Karl Berning

We see no reason why voters shouldn't "keep a good man on the job" by re-electing Karl Berning as Illinois state senator from the 32nd district, which includes Antioch and Lake Villa.

His Democratic opponent, Mary Virginia Kerr, lacks Senator Berning's excellent background and credentials.

Senator Berning and state representatives Betty Lou Reed and Donald E. Deuster are three outstanding candidates.

Berning, Reed and Deuster have demonstrated their willingness to help business by their votes in the Illinois legislature on key bills and amendments on workmen's and unemployment compensation and taxes, both on the floors of the House and Senate and in committees. Their excellent governmental backgrounds and willingness to work for a better economic climate for Illinois deserve your support.

Also, from the 32nd legislative district, we endorse Democrat Daniel M. Pierce, a capable and honest man with the possibility of an excellent political future. We feel that Dan Pierce will be one of Illinois' leaders in the years to come.

Montrimas, 32, who nearly upset incumbent Ron Coles in 1974. They are competing for Coles' unexpired two-year term.

Popp is the Lake Villa township clerk who has earned the respect of many residents of both Antioch and Lake Villa. He is being backed by most, if not all, of Antioch's Republican leaders.

Milton and Babcox

We feel that at least two Republicans deserve your support for Lake County offices.

That's why we endorse Robert J. Milton for auditor and Robert H. "Mickey" Babcox for coroner.

Milton recently received the "ELLaphant" award in Antioch for his many contributions to the Republican party.

Mr. Babcox would be superior than his opponent, Democrat John Miholic, in the office of coroner. Babcox formerly held the office so he has experience on his side. He is a surprisingly shy and likable man, but his political image is now better than ever.

In the contest for Lake County States Attorney, the Republicans would hate to lose that office but incumbent Jack Hoogasian obviously has a fight on his hands. Democrat Dennis P. Ryan could emerge the winner.

Ryan has blasted Hoogasian, for his "refusal to act" against a Lake County nursing home for violations of the state criminal and public health laws.

"For the past year, Hoogasian has in effect, been covering up a nursing home scandal of incredible proportion. A lengthy report from the Illinois legislative investigating commission has gathered dust on his desk - as has a 500 page file compiled by the coroner," Ryan said. Oscar Lind, who retires from the coroner's office this year, was largely responsible for the initial investigation.

Hoogasian lashed back at Ryan and charged him with "gutter-type" politics of the worst kind. In connection with the alleged nursing home scandal, he said:

"There is just no criminal evidence."

It is unfortunate, Hoogasian said, that such an emotional matter as alleged mistreatment in a nursing home "has become grist for the political mill in the closing days of the campaign."

Funds for Police Protection

Voters going to the polls in next Tuesday's general election will be asked this question:

Shall the County Board of Lake County, Illinois, be authorized to levy a tax of not more than .15% of the equalized valuation of taxable property in Lake County for the purpose of providing funds for Po-

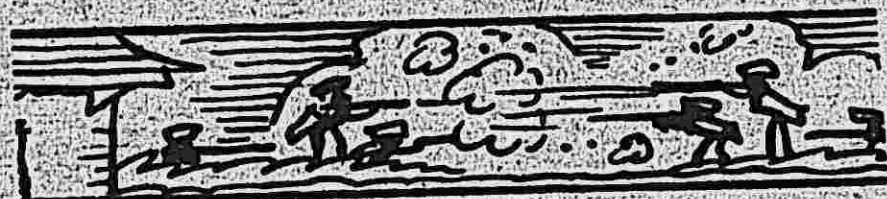

lice protection by the Sheriff's Department — provided said County Board shall not levy an amount to exceed .10% the first year of the levy and shall not levy an amount to exceed .15% in any succeeding year.

Lake County's sheriff, "Chick" La Magdeleine, points out that the county's population is on the increase and so is the demand for police services by the sheriff's department.

The crime rate is on the rise, especially robbery, burglary, theft and vandalism.

The sheriff says he would use the money to add 10 more deputies to the highway patrol, and to build a new correctional facility to house prisoners. The main problem at the Lake County jail is overcrowding.

For these necessities, we suggest you vote YES on the proposition.

The Battle of Bunker Hill was actually fought on nearby Breed's Hill, and lost by the Revolutionaries.

Ronald McDonald Says ...

To provide a safe Halloween for your children, Chicagoland and northern Indiana McDonald's restaurant operators have developed a simple list of do's and don'ts.

1. Children should be told to bring treats home so you can inspect them before they are eaten.

2. Throw away treats that aren't wrapped or sealed.

3. Trick-or-treating should begin early and end before dark.

4. Children should not wander into neighborhoods, homes or apartments unfamiliar to them.

5. Trick-or-treaters should wear light colored clothing and reflector tape, and carry a flashlight.

6. Children's costumes should be fire-resistant and provide freedom of movement.

7. Makeup, not masks, should be worn for better visibility.

8. Children should be told to use sidewalks at all times and to only cross the street at marked intersections.

By BARB CORBIN

Every week I hear this about carry-on baggage: "What can we take on with us?"

This is a misunderstanding when it comes to international flying. These are government regulations and all international carries conform to these rules. First of all, the items you can take aboard with you without having them weighed are ladies handbag, an overcoat, wrap or blanket, an umbrella or walking stick, a small camera or binoculars, a reasonable amount of reading or writing equipment for your flight, and with the hope that you don't need them, a fully collapsible wheelchair or crutches.

On all aircrafts, you may carry on items that will fit under the seat in front of you. Maximum measurements are 9 inches by 14 inches wide by 22 inches long, so the restrictions really aren't too great.

The rule about putting things under the seat is made by the Federal Aviation Authority and it is for your own protection. If an item is under the seat, it can't bounce around the cabin in the event of turbulence aloft or a sudden stop while taxiing on the ground.

On 747s and other wide-bodied aircrafts, there are enclosed overhead racks. Items that measure a maximum of 7 inches high by 16 inches wide by 35 inches long can be accommodated in these compartments so long as they don't weigh over 40 pounds.

Some airlines are also advertising carry-on luggage compartments for the busy man on the go. Not all airlines have this feature and not all flights of that particular airline.

As a best rule, when making your reservations, be sure and check with your local travel agent. He

can give you all the details as to type of equipment along with the carry-on policy of that particular flight.

Free Rides
To Polls

Voters who need transportation to the polls for next Tuesday's general election can obtain this service free from the Antioch and Lake Villa Knights of Columbus.

"If you need a ride, call 395-0274 and arrange a time," said a spokesman for the Knights. "We will service all of the Antioch and Lake Villa polls except Lotus school."

Persons have been urged to call and arrange a time as soon as possible to facilitate scheduling.

Wondering About Flu Vaccine?

Here are answers from the Illinois Dept. of Public Health to the most commonly asked questions about influenza:

Q. How effective is the new swine influenza vaccine?

A. Recently completed field trials showed that approximately 90 percent of persons over age 24 responded well to even the lowest dose of vaccine tested. While persons 18 through 24 had less favorable response, the trials showed that around 85 percent of persons in this age group can expect to develop some immunity following a single dose of vaccine. Additional trials, now underway, are expected to determine the advisability of a second dose of vaccine for persons under age 25.

Q. Is it recommended that children under the age of 18 receive the vaccine?

A. Specific recommendations for vaccination of children will not be available until additional field trials now underway are completed. The American Academy of Pediatrics in conjunction with the Center for Disease Control has recommended, however, that certain groups of high risk children between the ages of 3 and 18 be vaccinated. This includes children with chronic

bronchopulmonary diseases (such as chronic asthma, chronic renal disease, chronic neuromuscular disorders and chronic metabolism disorders such as diabetes,) malignancies and immunodeficient states. Such children should receive the bivalent (A-New Jersey and A-Victoria) vaccine in two doses, not less than one month apart.

Q. Can I get flu from the vaccine?

A. The flu vaccine contains a virus that has been killed. No one will get flu from taking the vaccine. Because the virus used in making the vaccine is grown in eggs, people who are highly allergic to eggs should not take it.

Q. What can I do for protection if I am allergic to eggs?

A. Persons known to be hypersensitive to egg protein should be given a skin test or other allergy-evaluating test using the swine flu vaccine as the antigen. Many of those who are allergic may be safely vaccinated under the care of a physician experienced in dealing with allergies. Even if an individual cannot take the flu vaccine, he will get some benefit from the mass vaccination program. This is so because the unvaccinated will

STATE SENATOR KARL BERNING (right) was in Antioch last Friday for the Chain of Lakes - Fox River Commission meeting and also to do some campaigning. He is pictured with Mayor Robert Wilton at the village hall. Sen. Berning is opposed in next Tuesday's election by Mary Virginia Kerr, a Democrat, in Illinois' 32nd legislative district.

sulting engineer to the commission, responded that although deepening the chain will not help the breaking-up of docks, it will lessen spring floods. William E. Brook, chairman of the commission, added that the project seeks long range solutions and that homeowners must not expect overnight improvement.

Guillou explained two major aspects of the dredging. The first is a general lowering of the bed of the Chain. This is designed to lower the winter water level without destroying fish life or tearing up the lake bottoms.

The second aspect involves studying what can be done to get more water out of the Chain area before the peak flows come from Wisconsin.

THE NEXT meeting of the Chain O'Lakes-Fox River Commission will be Friday, Nov. 19, at the McHenry village hall.

In order to increase communication between home and school, Antioch Upper Grade School (district 34) will be conducting parent-teacher conferences.

Each conference will run approximately 15 min. per subject area. They will be held in four sessions: the first two will be from 2:20 to 5:20 p.m. and from 6:30 to 9:10 p.m., Wednesday, Nov. 3; the third and fourth will be at the same times on Thursday, Nov. 4.

The schools asks that parents carefully check each student report form for teacher requests for conferences. Those who receive a request for conference(s) should call the office for an appointment no later than 3:30 p.m., Monday, Nov. 1. Those parents or guardians who do not receive a request for conference but still wish to meet with a teacher may call for a conference Tuesday, Nov. 2 through Thursday night, Nov. 4.

Do not send written appointment times back to the office with the child as they cannot guarantee filling that appointment due to prior parent commitments. All conferences will be scheduled on a first phone call basis.

be living in a more protected population and therefore will be less likely to be exposed to the disease.

Q. Are there any special recommendations on swine flu vaccination for pregnant women?

A. The public Health Service Advisory Committee on Immunization Practices states that women who are pregnant should be considered, as having essentially the same balance of benefits and risks regarding flu vaccination and flu as the general population.

TWO 6-YEAR-OLD RED PINE trees were planted at the Antioch Upper Grade School's nature center last week. The students were given the trees Oct. 20 after four days of work at the "Trees for Tomorrow" environmental education center in Eagle River, Wis. Front row, from left: Robbie Stannard, Matt Stevens and Lisa Quinn. Back row, from left: Robert Barnes, Jackie Miller, Bob Tuke, Karen Pape, Jennie Bowman, Kathy Krom and Laura Stalley. Thirty-five 7th and 8th graders from the Upper Grade School made the trip, doing water sampling,

touring a paper mill, touring an industrial forest and doing land-use planning. "They worked long hours on their projects," said Michael D. Teeley, director of environmental education for Antioch's grade schools. Also accompanying the students were Paul Epner, science teacher, and Marge Girtlen from Channel Lake school. Money for the trip was donated by the Rotary Club, the State Bank of Antioch, the Antioch Savings and Loan Association, the Lions Club, the Parent-Teachers organization and interested individuals.

St. Peter's Women's Club

St. Peter's Women's Club will hold a monthly meeting on Tuesday evening in Fr. Frawley Hall. Rosary and benediction will begin at 7:30 p.m. in the church.

Susan Weinger from Central Baptist Children's Home will be the guest speaker for the evening. She will inform the ladies of the home's many functions, one of which is their non-denominational foster children's program.

Members are reminded that the annual Christmas bazaar, Saturday, Nov. 6, and Sunday, Nov. 7, is fast approaching. Ann Kozel and Marge McKinney are the co-chairladies this year and will appreciate all donations:

cakes, artwork, live plants, needlework, homemade specialties, children's toys in good condition, white elephant items and hand-

made Christmas items.

Please call Ann at 395-1360 or Marge at 414-862-2749 for further information.

Beauty Pageant Plans Set

Holiday Inn in Decatur will host the three-day Illinois National Teen-Age pageant April 1, 2, 3, 1977.

Eureka College will award the state winner a \$2,000 scholarship. The winner will also receive a \$500 cash scholarship (to be used at the college of her choice) and an all-expense paid trip to compete in the Miss National Teen-Ager Pageant for six days in

August, 1977.

Young ladies between 13 and 17 years of age as of Jan. 1, 1977 (born on or after Jan. 1, 1959) are invited to enter and may write for further information to Mrs. Martha Smith, 1902 Syrcle Dr., Danville, Ill. 61832.

Last Flu Shots Set

The current Lake County Health Dept. swine flu mass immunization program will conclude Monday, Nov. 1.

Clinics will be for the following: persons 18-59 years of age who are of good health, persons 3-59 years of age who have a chronic health problem, and persons 60 years of age and over.

The free vaccines will be administered at:

Barrington High School - 12 noon to 5 p.m., Oct. 31.

College of Lake County - 1 to 8:30 p.m., Oct. 29; 12 noon to 5 p.m., Oct. 30 and 31; 1 p.m. to 8:30, Nov. 1.

"We lie loudest when we lie to ourselves."

Slips of the Typewriter

By JERRY PFARR

We're sure glad we're perfect.

I mean, it's really refreshing to read a newspaper such as the Antioch News, which never makes a mistake or a typographical error.

The Washington Post can't make such a claim. Not after running this line recently:

"Single Australians love in hostels looked after by Chinese workers."

Then there was this headline in the Coldwater, Mich., Reporter:

"Relax With Roast Children."

The San Bernadino Sun-Telegram printed this classified ad:

"Top pay for experienced 4-handed dental assistant."

A NEWSPAPER IN ONTARIO reported a church service in this manner:

"The choir sang the anthem 'He Makes Me to

Lie Down' with Mrs. Clark at the organ."

We almost hate to repeat this one, but a California newspaper announced that:

"The restaurant will no longer serve Mexican food but will specialize in gourmet soups and sandwiches, which befits the name of the restaurant which is 'Puke Hut.' " (Awful.)

THE DALLAS TIMES-HERALD reported that a U.S. attorney is abolishing "the archaic practice of singing all office correspondence."

The Grand Haven, Mich., Tribune was writing about a new bank when it made this mistake:

"The interior design houses a spacious lobby, a vault, and sex teller stations ..."

Yes sir, we're certainly glad we haven't had to eat any of our mistakes lately.

YOU HAVE TO watch out for 10-year-old boys. Sometimes they tell the worst jokes in the world. Our little friend, Alan, asked the other day:

"Do you know how you can tell the difference between an elephant and a turtle?"

"Okay, Alan, I'll bite. How?"

"Try lifting it," he said. "If you can't get it off the floor it's probably an elephant."

That's terrible, Alan, just terrible.

Harmony Highlights Woman's Club Program

By FLORENCE PEDERSEN

The Sweet Adelines were the highlight of the Antioch Woman's Club program Oct. 18. Providing the harmony were Suzanne Newell of Antioch, Bonnie Korom of Lake Villa, and Marge Villalobos and Lanna Rios of Waukegan.

LaVergne Newton provided a film, "Uncle Sam: The Man and the Legend" produced by the National Real Estate Organization. The film told the life story of Samuel Wilson, the real Uncle Sam, and was an interesting presentation.

The hostess committee provided delicious apple slices and pumpkin pie. The committee included Henrietta Albergo, Susan Haley, Lois Laursen, Florence Ruck, Norma Sefton, Louise Vos, Irene Williams, and Joyce Woods.

A book has been presented to the Antioch Library in memory of Mrs. Bernard (Genevieve) Osmond, who will be sadly missed.

On Nov. 1 the Antioch Woman's Club will meet at the First National Bank's community room at 1 p.m. It will be a Guest day. The program "Beauty Co-ordinates" will be presented by Norma Hill.

Ms. Hill has been a professional model for 15 years, a fashion consultant and lecturer, and directs her own company, Career Co-ordinates. Her lectured demonstration on diet, exercise, hair, skin care, makeup and fashion are well received. Short cuts and practiced methods are emphasized. She is well qualified to assist you in highlighting your best features through her unique approach to fashion and beauty.

PM&L Classes Continue

Workshop classes offered on Sunday at PM&L theatre will be continuing for the next five weeks.

Bill Sherson leads classes from 3 to 5 p.m. in lighting and lighting design. The class project is to prepare and construct the lighting

for the theatre group's next production, "Ransom of Red Chief."

Pat Jamison offers instruction in tap dancing and singing. This class meets from 8 to 9:30 p.m.

Instruction is open to all interested individuals.

Mrs. Betty Sutcliffe, vice president and cashier of the State Bank of Antioch, and Mrs. Jean Rockow, assistant cashier, recently attended the 54th annual convention of the National Association of Bank Women, Inc., in New York City.

Mrs. Sutcliffe and Mrs. Rockow were among the 1,000 woman bank officers from 50 states gathered to discuss current banking trends and management issues with industry leaders.

The NABW sessions offered bank women a blueprint for effective leadership in the bank-

ing industry, highlighting the areas of marketing, management, communications and lending, with a theme of "What Can One Woman Do?"

National leaders participating in the sessions strived to demonstrate how the bank woman can prepare herself to contribute thoughtful, intelligent leadership in her bank and, likewise, in her community. The 1976 NABW convention objectives outlined the challenges of new and changing markets, severe controls and government intervention, the banking image and the utilization of

women for bank management talent.

Convention participants included Ella Grasso, governor of Connecticut; Major Gen. Jeanne Holm, USAF (retired), special assistant to the president for women; and William Spencer, president of Citibank and Citicorp, New York.

Why It's Important That You Vote Republican...

You cannot strengthen the weak by weakening the strong. You cannot help small men by tearing down big men. You

cannot help the poor by destroying the rich. You cannot lift the wage earner by pulling down the wage payer. You cannot keep out of trouble by spending more than your income. You cannot further the brotherhood of man by inciting class hatreds. You cannot establish security on borrowed money. You cannot build character and courage by taking away a man's initiative and independence. You cannot help men permanently by doing for them what they could and should do themselves.

I do not wish to be a kept citizen, humbled and dulled by having the state look after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of Utopia. I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat. Score 31-13 Victory

Antioch's Viking Warriors football team scored an impressive 31-13 win over Fox Lake Sunday. It boosted their season's record to 4-1-2.

The Warriors are boys from the 5th, 6th and 7th grades.

David Berkiel of the Warriors reeled off some neat runs, scoring four touchdowns on sprints of 35, 27, 53 and 55 yards.

Tom Haviland ran 20 yards for another Warrior touchdown.

Coaches said David Hipps did an outstanding job of kicking and also said the defensive play was superior with Kevin Haarstad intercepting a pass to set up one of the Antioch team's scores.

The Warriors have now won their last four games. They play at Round Lake next Sunday at 11:30 a.m.

QUEEN ATTENDANTS for last Saturday's homecoming festivities were (from left) Deanne Haviland, junior; Cindy Carney, freshman and Kim Kuchera, sophomore.

Antioch Viking Heavyweights Triumph by 12-6

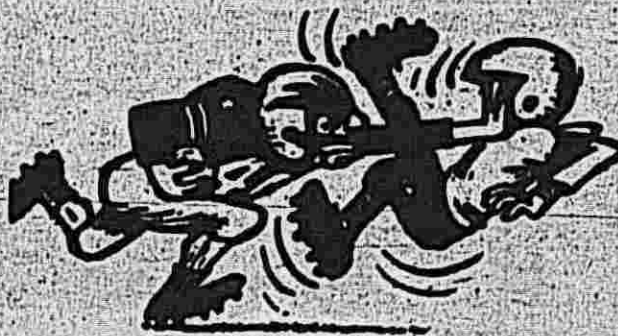

The Antioch Viking Heavyweights won 12 to 6 over Fox Lake at the Antioch High School field Sunday.

The first touchdown was scored by Viking Roy Raven in the second quarter.

After a sustained third quarter drive by the Viking offense, Hal Fox ran in the second Viking score.

In the third quarter Fox Lake drove into the end zone for 6 points. The extra point attempt was blocked by Viking John Eckert.

The nippy and damp afternoon triggered fumbles for both teams, but quarterback Bob Hargett and linemen Steve Jennrich, Jeff

Gebauer, and Dick Mitchell spurred on the Viking offense.

The Viking defense showed pride as it foiled the efforts of Fox Lake.

Admission will be \$1 for adults and 50c for students.

The game will be between Crystal Lake and Antioch with the

winner going to McHenry, the sectional site. In the sectional tournament the winner of Crystal Lake-Antioch game will play McHenry in the first contest on Tuesday, Nov. 2. Crystal Lake's record for the season is 4 and 5 while the Sequoits are 2 and 5.

Sophs Rally To Win

Antioch High's sophomore football team came from behind to beat Stevenson last week.

The future Sequoits trailed 6-0 at halftime, then scored eight points in the third quarter and two in the fourth.

Antioch's touchdown came on a 10-yard run by Gene Lehn. The other four points, which decided the game, came on safeties when Antioch blocked a Stevenson punt out of the end zone and then tackled a Stevenson back in the end zone.

Antioch ran for 132 yards in 40 carries and completed four of 12 passes for 61 yards, giving the local team a 193 to 149 edge in yards gained rushing and passing.

NUMBER 23 APPEARS DESTINED to be an important jersey as Antioch High's football team prepares for its remaining games this season and a winning year in 1977. It's worn by Kenn

Rosenbrock, a junior halfback, who not only plows through defenses but keeps officials on their toes as he rambles for yardage.

Golf Team Enjoys Success

Antioch High School's varsity golf team has completed its most successful season ever.

The Sequoits, coached by Mark Guthrie, had a 15-1 record and were 11-0 in conference play.

They also scored 14 straight victories, a school record.

This was Antioch's first conference golf championship since 1963.

Some of the records this year's golfers set were recorded in practice rounds, such as a 32 for nine holes by Pat Houghton, and Houghton's 67 for 18 holes along with Del Gorski's 68.

Houghton and Gorski both had 34s in competition, while Gorski and Steve Hartokolis enjoyed holes-in-one this fall.

Guthrie pointed out that his players averaged 39.4 strokes per man in dual meets.

The junior varsity had a 13-2 record and won the conference jayvee title.

"With only Houghton graduating, the future looks extremely bright in 1977," Guthrie said.

Local Youth on Elmhurst Team

Jon Bodin, son of Jack and Jane Bodin of Antioch, is playing this fall on the Elmhurst College football team.

Bodin, who graduated from Antioch Community High School in 1976, is playing defensive halfback on the college conference of Illinois and Wisconsin team.

He is majoring at the college in business management.

Sequoits Plan To Win Saturday

A super fourth-quarter rally made Antioch football fans feel a little better about last Saturday's Homecoming game.

The Sequoits were flogged 22-0 by Stevenson's Patriots in the first three quarters, but they came back and scored 14 points in the final quarter and even threatened to turn the game into a 22-22 tie.

Stevenson's 22-14 victory left Antioch with a 1-6 record, but the Sequoits have high hopes of beating Jacobs this Saturday and then Grayslake in their final game on Nov. 6.

UNFORTUNATELY, THE SEQUOITS were up against another tough foe in their Homecoming game. Stevenson has a 5-2 record now.

Stevenson's coach, Tom Baumann, paid tribute to Antioch's fine play in the fourth quarter.

"Things got a little hairy towards the end with their two quick touchdowns," he said, "but, luckily, we held on."

"Our comeback in the fourth quarter was something to be remembered," said Roy Nelson, Antioch's coach.

It was a good day for Antioch's junior quarterback, Brian Andrews, who completed 9 of his 18 passes for 144 yards. Unfortunately, three of his throws were intercepted and this hurt some of the Sequoits' drives for touchdowns that could have made the difference. Two lost fumbles also helped beat Antioch. Andrews' passes accounted for eight of Antioch's 11 first downs.

BALL-CARRIER DOUG SCHREIBER did a good job against Stevenson's defense, averaging more than four yards a carry, as he picked up 34 yards in eight tries. Kenn Rosenbrock, the junior who ran so well against Round Lake the previous week, was held to 22 yards in 15 carries ... but Rosenbrock definitely is a player to watch the rest of this season and next year when he's a senior. The leading pass catchers were Tim Huebner,

who caught four of Andrews' pitches for 73 yards; Dan Vos, who caught three for 48 yards, and Rosenbrock, who gathered in two tosses for 23 yards. While Antioch gained only 51 yards on the ground, it covered 144 through the air.

Coach Nelson praised John Kakacek for blocking a Stevenson punt that set up Antioch's second touchdown in the fourth quarter. Then Kakacek's on-side kick was recovered by Al Roth, to give the Sequoits' another chance.

Nelson said Kakacek and Jerry Schmidt were defensive standouts, and he praised Andrews, Rosenbrock and Tim Huebner for their offensive performances.

THIS SATURDAY, at 2 p.m., the Sequoits play at Jacobs High in Algonquin. Jacobs defeated Round Lake 22-20 last week. Antioch trimmed Round Lake 31-0 the previous week.

Jacobs now has a 1-6 record, the same as Antioch. But Antioch will be a slight favorite this Saturday on the basis of past performances.

Last Saturday, Stevenson's Dave Poulton (22 carries for 93 yards) scored his ninth touchdown of the season on a four-yard run in the second quarter and Bill Gooch kicked the extra point to give Stevenson a 7-0 lead. Andy Farrissey (14 carries) for 69 yards) added another four-yard score late in the stanza and made the score 15-0 at the half with his two-point conversion.

Stevenson quarterback Ken Kriske connected on a 19-yard TD pass to Doug Atkins in the third quarter.

Antioch got its first score when quarterback Andrews hit Mike Vos with a 20-yard pass in the final quarter. Al Moore later tallied from two yards out for the last TD.

Stevenson rushed for 243 yards and had 359 total yards.

'Last Chance Fun Shoot' Set Nov. 7

The final big trap shooting event of the season will be held on Sunday, Nov. 7, at the Northern Illinois Conservation Club, three miles west of Antioch on Route 173.

The club is calling the event its "Last Chance Fun Shoot."

Trophies and prizes will be awarded, including chickens, beef, turkeys, hams and merchandise.

There will be contests for new shooters and experts. There also will be "white bird" events to make sure "everyone is a winner."

Refreshments will be served throughout the day, as shooting begins in the morning.

Officials of the club said any proceeds will be used to pay for the third trap which they recently added to the range.

A STEVENSON FOOTBALL PLAYER failed to catch this forward pass in last Saturday's Homecoming game here. Maybe he's lucky,

because that's John Kakacek (14), Antioch's outstanding defensive captain, coming in to rack up the receiver in case he made the catch.

Lots of Winners In Football Contest

Names in the NEWS

Antioch athlete Bob Dubek is a member of the baseball team at Kansas State University in Manhattan, Kan., and is currently the No. 2 catcher in his freshman year.

He is the son of Zion-Benton High School athletic Director Richard Dubek.

Bob was a cross-country and basketball star at Antioch High School last year.

Maybe it's because we offered \$60 worth of prizes, but a record number of entries poured in for last week's Antioch News football contest.

The winner of the \$15 in cash from Antioch Firestone was Dick Kessler Sr., who had finished second in our contest the previous week.

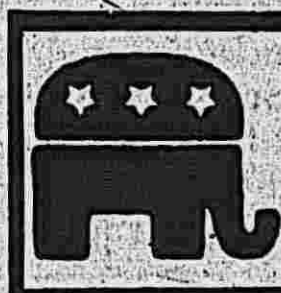

He accurately predicted that Stevenson's Patriots would beat Antioch by eight points in the Homecoming game here last Saturday. And he forecast that Dallas would beat the Chicago Bears by seven. Dallas won by 10.

THERE WAS A TIE for the other first prize, \$15 in cash from Laursen & Blackman Co., Contractors. Gary Doolittle and Sue Koppa both said Stevenson would win by eight, which is what happened. And both said Dallas would win by 14.

So, for Laursen & Blackman, we're going to send \$7.50 in cash to each of them, and we're also going to split the third prize between Gary and Sue. Each will receive a \$5 gift certificate from Andre's Steak House in Richmond.

The next prize in the contest goes to Gary Volling, who predicted Stevenson would win by nine points. Gary will receive a \$10 gift certificate from the BJ Rush Photo Studio. We already have mailed to him a \$5 gift certificate from Rittenhouse & Embree Lumber Co., which he won the previous week.

THERE WERE TWO other prizes in last week's contest. Dave Volling won a \$5 gift certificate from King's Drug Store by picking Stevenson to triumph by 10 points. And Ron Knab receives a \$5 gift certificate from Gibbs & Jenssen's Carousel by picking Stevenson by six points.

Election Day

Tuesday, November 2 is election day.

The first settlers to this country voted by raising their hands. Sometimes they voted out loud.

The people of Massachusetts voted in secret and used paper ballots. After 1786 all the colonies decided to use paper ballots.

In 1888, the voters in Louisville, Kentucky, decided to use a new kind of ballot.

It was printed by the government and handed out by an election worker at a polling place. It was marked in secret.

Today, some Americans vote by paper ballot. Others use a voting machine.

Do you know about the home heating system that pulls energy out of thin air?

Introducing the heat pump.

Scientists have known for centuries that the air around us is a storehouse of heat energy. But it's only been in recent years that they were able to develop an efficient way to tap that abundant resource—the heat pump. Today,

it is the only commercially available heating system that provides an answer to shrinking supplies of other fuels.

How the heat pump works:

Basically, the heat pump moves heat from one place to another. It uses electricity to extract heat from a limitless source—the heat in outdoor air. During winter, enough heat remains in the air—even on the coldest and cloudiest days—to be extracted by the pump and transferred indoors as clean, flameless heat.

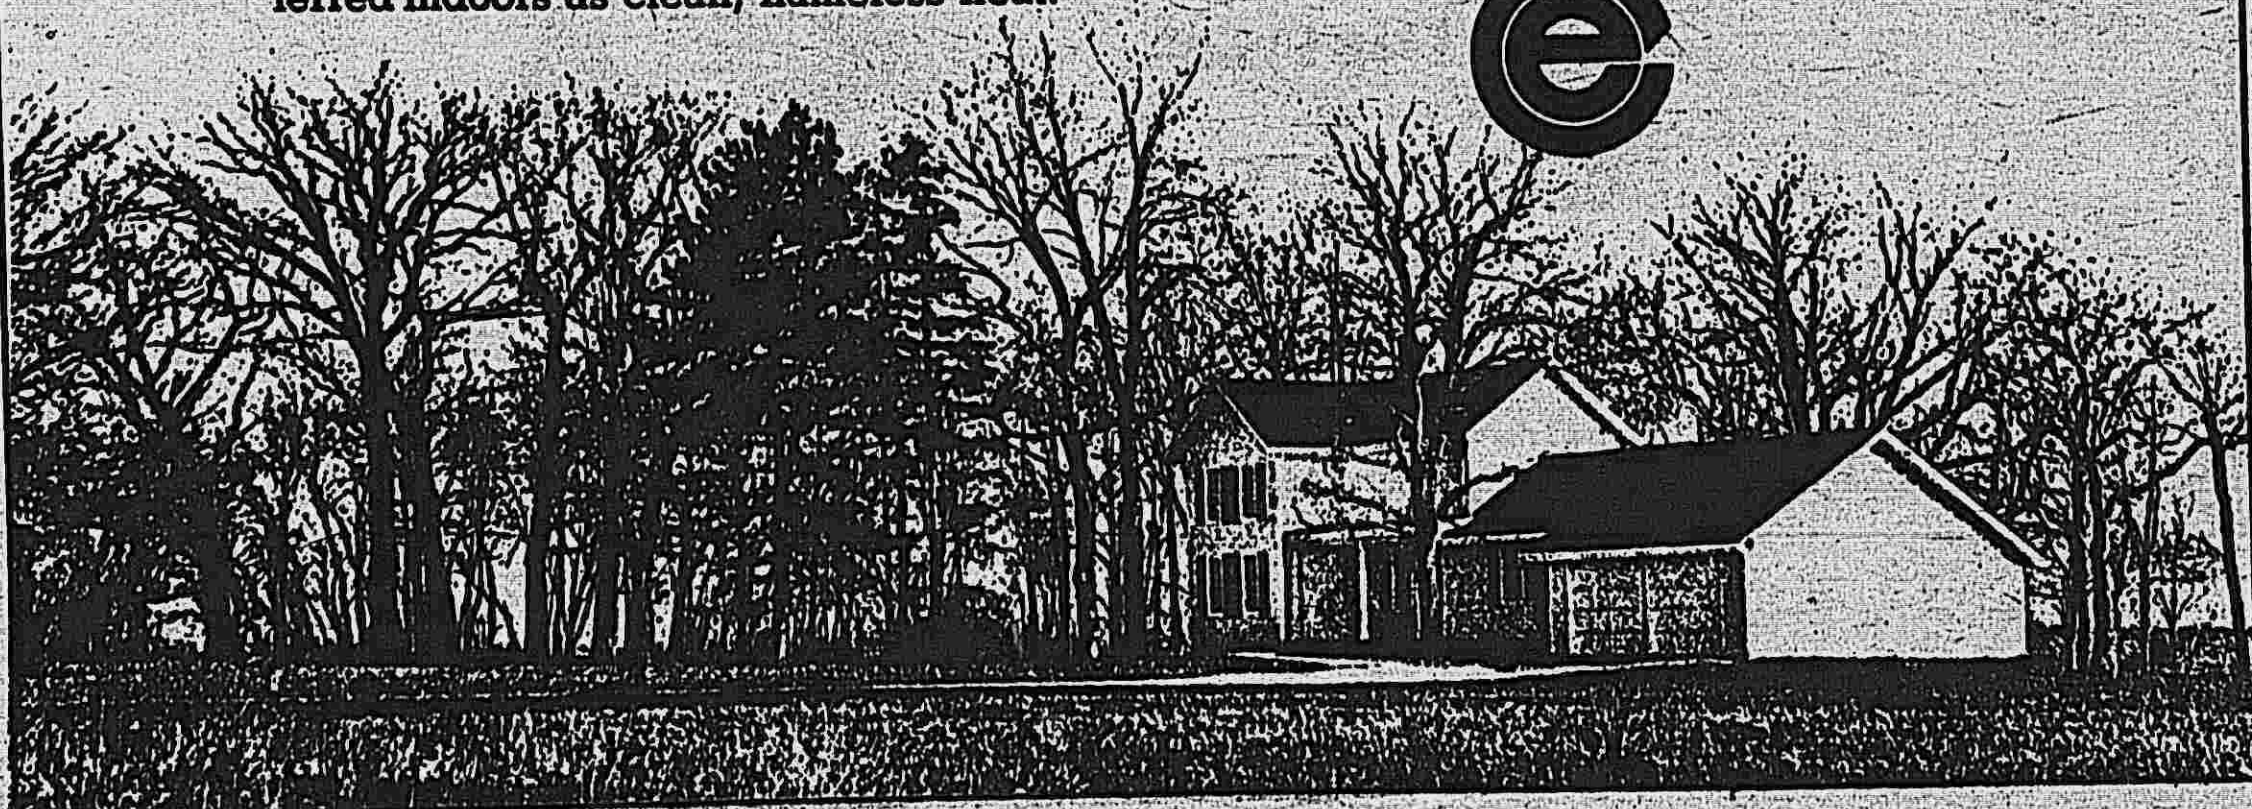

And during warm weather, the process automatically reverses, removing excess indoor heat and humidity like an air conditioner.

Better efficiency.

In short, the heat pump does the job of both a furnace and an air conditioner. But there's an important difference. In northern Illinois the heat pump can produce more than 1½ units of heat energy for every unit it consumes. That's better efficiency than any other current heating system. That could mean significant long-term savings on heating costs.

To get the full advantages of the heat pump, it's important to get a quality product, properly installed and reliably serviced. For the name of qualified installers in your area, call G. W. Berkheimer Co. (Westinghouse Distributors), 312-374-4411; General Electric Co., 312-496-6356; Lennox Industries, Inc., 312-593-2820; or Temperature Equipment Corp. (Carrier Distributors), 312-681-6220. If you want additional heat pump information, call your local Commonwealth Edison office and talk to one of our marketing engineers.

OBITUARIES

Bristol Sr. Citizen Dies

Mr. Edward R. Becker, 71, of Hwy. 50, Bristol, Wis., passed away Sunday, Oct. 24, at Kenosha Memorial Hospital. He was born May 25, 1905 in Arlington Heights, Ill. He has lived in Bristol since 1962.

Mr. Becker was a member and president of the Bristol Senior Citizens. He retired in 1968 as a self-employed carpenter. He married the former Gertrude Koeppen on June 11, 1927.

Survivors are his wife Gertrude; two sons, Fred (Diana) Becker of Kenosha and Roger (Judith) Becker of Mundelein; four daughters, Mrs. Harold (Jane) Carberry of Mundelein, Mrs. Arthur (Ruth) Fuller of Buffalo Grove, Ill., Mrs. Lois Gray of Round Lake, and Mrs. George (Judith) Sharpe of Greenwood, Del.; three brothers; two sisters; 22 grandchildren and six great grandchildren.

Funeral services will be held at 11 a.m. today at the Strang Funeral Home in Antioch. The Rev. Lawrence Nolte of the Zion Ev. Lutheran Church of Bristol, Wis. will officiate. Interment will be in Memory Gardens in Arlington Heights.

Joseph Renfro Jr. Dies

Funeral services for Mr. Joseph T. Renfro Jr., 55, of 94 Oakwood Dr., Antioch, were conducted on Tuesday, Oct. 19, at 2 p.m. from the Wheeler Funeral Chapel in Maddock, North Dakota. Interment was in the Vasa Lutheran Cemetery. Military honors were accorded by the VFW Post of Esmond.

Mr. Renfro passed away Friday, Oct. 15, in Madison, Wis., where he had been hospitalized for some time.

He was born Feb. 14, 1921, the son of Joseph and Blanche Renfro in Rockwood, Tenn. He attended elementary schools in Rockwood and high school in Knoxville. He entered World War II and also served in the air force during the Korean conflict.

Mr. Renfro graduated with a B.S. degree in Biology from Carson-Newman College in Jefferson City, Tenn., after his military career and was then employed in the Division of Pharmacology & Medicinal Chemistry for Abbott Laboratories in North Chicago. He was currently employed there.

Mr. Renfro was a member of the St. Stephen's Lutheran Church in Antioch and was active in Cub Scouts, Little League baseball and the band parents. He was also a member of the Tactical Airlift Wing of Milwaukee. He had gained a certificate and diploma in hotel-motel management from the LaSalle Extension University of Chicago, and had obtained a patent on a special bird feeder from the U.S. Patent Office, and had planned to market the feeder.

Joseph Renfro was married to Ruth Hansen in Esmond, N.D. on July 9, 1950. Surviving are his wife; two sons, Joseph III and John; one daughter, Ann, all at home; and two brothers, James Burl Renfro of New Orleans, La., and Jack Renfro of Daly City, Calif.

He was preceded in death by his parents and two brothers, John Wesley and Ralph.

Memorials may be designated to the University of Wisconsin Hospital to be used for leukemia research.

Fred Plattner Dies at 84

Mr. Fred P. Plattner, 84, of Sunset Oaks Subdivision near Trevor, passed away Tuesday, Oct. 19, at Hillcrest Nursing Home in Twin Lakes, after a long illness. He was born Aug. 23, 1892, in Chicago and resided there until moving to Trevor 15 years ago.

He is a life time member of the Odd Fellow lodge, and holds membership in the Chicago Transit Authority Union. He retired 22 years ago after 40 years of employment for the C.T.A.

He was preceded in death by his wife, Mabel, in October of 1964, and by one brother, two sisters and one daughter.

Survivors are two daughters, Mrs. Frances Brown of Trevor; three sons, Roy (Doris) Plattner of Chicago, Raymond (Edythe) Plattner of Silver, Lake, Wis. and Charles (Beverly) Plattner of Calumet Park, Ill.; one brother; 12 grandchildren and 14 great grandchildren.

He was buried in Fairmount Cemetery in Willow Springs, Ill. last Friday. Local arrangements were made by Strang Funeral Home of Antioch.

William Frohmeier Dies

Mr. William C. Frohmeier, 78, of Indian Point near Antioch, passed away Tuesday, Oct. 19 at Crown Manor Nursing Home in Zion. He was born Sept. 19, 1898 in Chicago and resided there until moving to Antioch in 1959.

He owned and operated a gas station in Chicago for 17 years. He married Laura Buelow on June 3, 1933 in Chicago.

He is survived by his wife Laura; one son, William J. (Kathleen) Frohmeier of Antioch and two grandchildren. He was preceded in death by one brother, Arthur Frohmeier.

Funeral services were held last Friday at the Strang Funeral Home in Antioch. Rev. Philip O. Laurin of St. Stephens Lutheran Church officiated. Interment was in St. Lucas Cemetery in Chicago. Memorials to the Antioch Rescue Squad would be appreciated.
